Star Origin Tea Field: the secret to this cosmically delicious matcha chocolate is its birthplace, deep in the Japanese countryside. Stunningly vibrant green hills flank a sparkling crystal clear creek where small growers contribute their micronutrient-rich leaves to the matcha company that grinds them with geometric sacred stones, into the brightest green powder that overflows with flavour and has a smooth, naturally sweet finish on the palate. This stellar chocolate is both for matcha lovers and matcha novices.

# PRODUCTS TO COME...

Soon after chocolates, NOMOSU will launch more of 'everyone's favourite' classics, already formulated products including chocolate-chip cookies - gluten-free, organic and honestly sugar-free (sea-salt chocolate-chip, cinnamon chocolate-chip, matcha chocolate-chip).

NOMOSU has developed *cocoa drinking powders*, *dark and hazelnut chocolate spreads*, *chocolate-coated activated almonds*, KETO-FRIENDLY and ORGANIC. We deliberately chose these classics to allow our discerning foodie and health conscious audience that it is possible to switch from sugar-filled snacks to equally (and exceedingly) delicious, healthy ones without sugar.

Meticulous attention to detail has been paid in selecting each ingredient and their optimal combination. In creating our exciting and innovative products, we always go BACK TO NATURE and FORWARD WITH SCIENCE, LED BY TRUTH. If you're excited to try and think this might resonate with your existing and new potential customers, feel free to get in touch.
